MICHIGAN

\$51,160–\$162,360

**NORTHWESTERN
MICHIGAN**

- **Salary information from O*net**

Chad's career path:

After high school I wanted to be an engineer, but could not afford the education. I received technical training from local manufacturing companies that invested in their employees. This allowed me to hold full fledged engineering positions in companies early in my career. When deciding to enter the leadership world, I was fortunate to participate in company tuition reimbursement programs. These programs allowed me to obtain my bachelors and masters degrees at no cost to me.

HIGH SCHOOL CAREER TECH OPTIONS

- Charlevoix Emmet ISD Career Tech Programs: Drafting & Design; Machine Tool Technology
- Traverse Bay Area ISD Career Tech Center: 3D Drafting; Engineering Academy; Robotics and Automation; Precision Machining
