\$40,660–\$100,470

**NORTHWESTERN
MICHIGAN**

- **Salary information from O*net**

Jason's career advice:

Being a business representative or any other leader in the construction industry requires a mix of industry specific training and actual on the job experience.

Any student interested should have an understanding of basic Construction Math (Geometry, Algebra), as well as the all important soft skills of having a good attitude and respecting others time by being punctual and having good attendance.
