Randy's career advice:

Be well-rounded (pursue HVAC, Electrical, and IT at the same time). Hone your communication skills.

I would say that, although not a requirement, college-level training will open doors and accelerate your career in the beginning.

HIGH SCHOOL CAREER TECH OPTIONS

- Charlevoix Emmet ISD Career Tech Programs: Construction Technology
- Northwest Education Services Career TecCenter: Construction Trades
- Wexford Missaukee ISD Career Tech Center: Applied Construction Technology
